Skill Development Education and Training Institute

Government recognized diploma and certificate courses

Maharashtra State Board Vocational Education & Training Examination Board, Recognized Morya Social Institution, Sanchalit Loknete MLA Laxman Jagtap Paramedical College Morya Social Institution is an educational institution with Registration No. Maharashtra / 9961-95 / Pune. Reg. No. F11530 / Pune and also works in the field of skill development and training through the institution. In the changing times, only traditional education is not useful for the overall development of students and their future life, that is why skill-based education has gained immense importance. Also, India is one of the countries with the largest youth population in the world and 62 percent of the total population in India is of working age. It is likely to increase further in the next decade. For this, it is necessary to provide skill-based training compatible with modern technology to the candidates of the young age group and make them employable and productive. To overcome this situation, the institution is working to make unemployed youth and women employed and self-employed by training them in various fields according to their needs.

The institute is doing remarkable work under the Skill India initiative of the Government of India by providing Maharashtra State Board of Vocational Education & Training Examination (MSBVET) and National Skill Development Corporation (NSDC) certified skill training to the students. Morya Samajik Pratishthan provides training in various practical-based courses to the students, which includes more than 15 courses. The institute is constantly striving to enable the youth from the disadvantaged sections of the society to stand on their own feet through jobs or businesses and improve their financial condition. For this, the institute is successfully fulfilling its moral responsibility of providing job opportunities to students by providing skill development training to government agencies, social institutions, educational institutions, as well as Bajaj Finserv (CSR) schemes. Along with this, guidance is being provided through various institutions to students who want to start their own business. Also, keeping in mind the needs of the industrial sector, the institute is doing the important work of designing specific courses as per the requirement and training them from expert trainers, making the youth skilled and providing them with the best opportunities in the industrial sector.

More than 3000 activities are being implemented.

In the last 3 years, more than 1800 students have been trained in courses.

In the last 3 years, more than 1400 students have been provided jobs.

More than 100 hospitals are affiliated with Morya Social Institution.

More than 500 students have started self-employment.

Student Feedback

Shreyash Kharge

I am very lucky to have been able to study at such a good college.

The teachers here are very good and help me in everything. I love paramedical education and I want to become a great dialysis technician in the future. Now I am working as a dialysis technician at Aditya Birla Hospital.

Anil Shirsat

Coming to Pune from a small village in Latur, he completed the Operation Theatre Technician course at Morya Samajik Pratishthan. With the help of good teachers and suitable guides, he successfully completed the course as well as practical training.

After completing the course, I initially worked in a small hospital. Now I am working as a technician in Jupiter Hospital, so I am now settled in Pune. I am very grateful to Morya Samajik Pratishthan for this.

Rituja Bawar

I have spent the most enjoyable and unforgettable days of my life in Morya Samajik Pratishthan. Also, I have a very : A strong relationship has been formed. The quality of teaching here, the excellent training and the various hospital visits have made my educational experience unforgettable.

Now I am working as a technician in D. Y. Hospital for the past 3 years. Thank you!

Pratiksha Khanekar

Pratiksha Khanekar

I received excellent quality training at Morya Samajik Pratishthan. This institution provides education that is not just textbook but also life-changing.

I now have a well-paid job and I am contributing to improving my family's financial situation. My family and I are also very satisfied.

विद्यार्थींचे मनोगत

Im doyel choudhary from Kolkata,

I came to pune in 2016 , and joined for 2016/17 batch in MORYA INSTITUTE OF PARAMEDICAL HEALTH SCIENCE which is run by Dr Ganesh Ambike sir , he and his team helped me a lot in studies and supported well in education as I was having a problem in languages as I was from Calcutta , and they even helped me in my internship period and guided properly and helped a lot in finishing my course , successfully and even got a job in well named institute - Dr D Y Patil Hospital , and worked in all departments like robotics , orthopedic , general surgery , neurology , urology , and Cardiac , and now working as a senior technician in cardiac operation theater , I really thankfull for this institute of MORYA INSTITUTE OF PARAMEDICAL HEALTH SCIENCE , which brought me up to this level and I really thankfull to all the staff and teachers , principal sir who guided me and educated me well and made me successful , THANK YOU EACH AND EVERY ONE

Nikita Pawar

I received excellent quality training at Morya Samajik Pratishthan, Shri Morya Institute of Paramedical Health Sciences, Chinchwad.

This institution provides education that is not just textbooks but also one that will change your life for the better.

I am now working in a well-paid job and contributing to the financial condition of my family. I and my family are very happy. I am now working in a good position as a dialysis technician at Jupiter Hospital, Baner.

Nilesh Pund

I completed operation theater technician course in morya social institute then did practical training in Aditya birla hospital now I am working as operation theater technician in aditya birla hospital in morya social institute good quality education as well as hospital visit various camps met to learn.

Pranav Waghmare

I have completed the dialysis technician course at Morya Samajik Pratishthan. The education here is of high quality and along with subject education, personality development, how to give interviews, etc. are taught. The atmosphere here is friendly, so it is easy to ask questions and discuss. I am proud that I studied in this institution, currently I am working in Jupiter Hospital with a good salary. Thank you
